

Instructions for using the Porta-Nailer

The Porta-nailer is a safe, quick and effective tool for secret nailing T & G floorboards into battens or chipboard.

- Place Porta-Nailer over tongue
- Hold handle and place foot on bottom plate to steady
- Strike plunger with rubber end of mallet
- Three blows should set it home
- Do not move Porta-Nailer until the plunger bounces out
- Keep the nail stack more than 2 inches full to avoid jams.
